CATTLE BARON'S BALL

Re: 2019 Auction

Dear *Auction Donor*,

The American Cancer Society's Cattle Baron's Ball is gearing up for yet another fantastic year that is certain to be a rip roaring time! We are proud to announce at our 2018 Cattle Baron's Ball, raised over \$500,000. This much needed revenue helps fund patient program, services, our own American Cancer Society Hope Lodge in Tampa and pediatric cancer research.

Our 2019 event will be held on **Saturday, February 23, 2019** at Armature Works. We are seeking donations of auction items for this spectacular evening to help make this year's silent and live auctions even more successful! The benefits that you will receive from your contribution are twofold:

- First, your name will be in our Program and your donated item will be on display in front of 600 attendees who are comprised of Tampa's most notable business partners and philanthropic leaders.
- Second, your contribution will enable the American Cancer Society to further its fight against cancer. As good stewards of your donations, we are able to host this extremely successful event for less than 20 cents on the dollar, ensuring that the majority of donations go to our programs and services.

I am sure you know someone in your circle of friends or family who has been affected by this unfortunate disease. Please join us in the fight against cancer by supporting this exciting and impactful event with a donation to our auction. Please contact the American Cancer Society with any questions you might have. We can be reached at 813-319-5902.

We look forward to partnering with you again and improving the lives of cancer patients and their families in our community.

Kindest Regards,

Dr. Loan Lam
